The Honorable Rose DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am respectfully requesting funding for a project in the Department of Transportation, Housing and Urban Development, and Related Agencies, Airport Improvement Program (AIP), Grants-in-Aid in fiscal year 2025. The entity to receive funding for this project is the Tyler Pounds Regional Airport (TYR), located at 700 Skyway Boulevard, Tyler, TX 75704. The funding would be used for the construction of a new Air Traffic Control Tower, which will address line-of-site challenges, improve accessibility for people with disabilities, and will make necessary updates to tower safety components. This project is an appropriate use of taxpayer funds because this project will improve the safety and efficiency of air travel for constituents and travelers through infrastructure enhancements at the Tyler Pounds Regional Airport.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nathaniel Moran
Member of Congress
