Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Carthage Critical Ladder Truck in Fiscal Year 2026. The entity to receive funding for this project is the City of Carthage, located at 812 W. Panola Street, Carthage, Texas. The funding would be used to acquire a new ladder truck to replace their 30-year-old truck, which is constantly in need of repairs.

The project is an appropriate use of taxpayer funds because it would enhance the City's Fire Department to provide reliable protection to residents in the surrounding area.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Nathaniel Moran
Member of Congress
