Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the G-M Water Supply Corporation Pump Improvement Project for Fiscal Year 2027. The entity to receive funding for this project is G-M Water Supply Corporation located at 405 Sabine Street Hemphill, Texas 75948. The funding would be used to improve the operational stability of the water distribution system. The project is an appropriate use of taxpayer funds because it will optimize water distribution and reduce service interruptions.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nathaniel Moran  
Member of Congress
