Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Gladewater High Hazard Dam project in Fiscal Year 2026. The entity to receive funding for this project is the City of Gladewater, located at 519 E Broadway Ave, Gladewater, TX 75647. The funding would be used for repairing a dam that is in poor condition and would lead to flooding and damage to a local high school if it were to break. The project is an appropriate use of taxpayer funds because it will protect the community from flooding.

The project has a federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nathaniel Moran  
Member of Congress
