Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Marshall Relief Route in Fiscal Year 2026. The entity receiving funding for the project is Harrison County, Texas located at 1 Peter Whetsone Square #314, Marshall, TX 75670. The funding would be used for the planning and engineering for the middle section of State Loop 390, also known as the Marshall Relief Route. This project is an appropriate use of taxpayer funds because it will advance I-69 and improve freight mobility, enhance safety, and support evacuation efforts. Additionally, this project will help drive economic development to Harrison County which is recognized as an Economically Disadvantaged County.

The project has a Federal Nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nathaniel Moran
Member of Congress
