Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the San Augustine Dual Education Hub project in Fiscal Year 2027. The entity to receive funding for this project is San Augustine ISD located at 1002 Barret Street San Augustine, Texas 75972. The funding would be used to renovate an existing educational building to create a rural hub for high school dual-education and for adult high-demand job training. The project is an appropriate use of taxpayer funds because it would address the need for collaboration in the dual education program that results in high-wage skills training that align with local industry's needs.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Nathaniel Moran
Member of Congress
