Dear Chairman Cole and Ranking Member DeLauro:

I respectfully request your consideration for my Community Project Funding request to secure funds to assist in initiating a study reallocation study of Wright Patman Dam and Lake, TX for Riverbend Water Resources District (RWRD) in Fiscal Year 2026. The entity to receive funding for this project is the U.S. Army Corps of Engineers Forth Worth District 819 N. Taylor Street Suite 3A28, Fort Worth, Texas, 76102. The funding would be used to initiate a study to determine the feasibility of reallocating flood storage water to provide the Riverbend Water Resources District (RWRD) and the city of Texarkana, TX the ability to store its new water right.

The project has a federal nexus because the funding provided is for purposes described in Water Supply Act of 1958 (Section 301 of P.L. 85-500; enacted July 3, 1958), as amended.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nathaniel Moran  
Member of Congress
